

OMR Publication – Payment Guide

Razorpay & PayPal | Step-by-Step Instructions

Use this guide while completing your payment on the OMR Publication payment page. The screenshots below show the actual payment flow so you can follow each step easily.

1. Fill the Payment Form

First, open the OMR Publication payment page. Fill in all required **Article Information** and **Billing Information** fields carefully.

The screenshot displays a payment form with two main sections: **Article Information** and **Billing Information**. The **Article Information** section includes fields for **Journal Name *** (a dropdown menu with 'Select Journal' and a downward arrow), **Manuscript ID**, **Article Title**, **Corresponding Author ***, and **Email Address ***. The **Billing Information** section includes fields for **Full Name ***, **Contact Number *** (with a placeholder '+91XXXXXXXXXX'), **Address *** (with a placeholder 'House No., Street, Area'), **City ***, **State / Province ***, **Postal / ZIP Code ***, and **Country ***.

- 1. Journal Name:** Select the correct journal.
- 2. Manuscript ID:** Enter the exact ID provided to you.
- 3. Article Title:** Enter your complete article title.
- 4. Corresponding Author:** Enter the author's full name.
- 5. Email Address:** Enter an active email address.
- 6. Billing Information:** Enter your name, contact number, address, city, state/province, postal code and country.

Powered by PayPal

Under **Choose Payment Method**, select the **Razorpay** gateway. Then click **Pay Securely with Razorpay**.

What happens next? Razorpay will open a secure payment window. The payment amount will be shown before you enter your card details.

4. Razorpay – Enter Card Details

In the Razorpay payment window, select the card payment option and enter your card details carefully.

1. **Card Number:** Enter your valid card number.
2. **Expiry Date:** Enter the card's expiry month and year.
3. **CVV:** Enter the CVV shown on your card.
4. **Continue:** Click **Continue** after checking the information.

Demo warning: If this guide/video is being used only for demonstration, use dummy/test card information where supported. For a real payment, always enter your own valid card details. Never share your CVV or OTP with anyone.

5. Complete Razorpay Verification

After clicking **Continue**, your bank/card issuer may ask for an additional security verification, such as an OTP or other authentication step. Complete the verification using your own bank's secure process.

Then wait for the payment result. Do not refresh the page, close the payment window, or press the payment button repeatedly while the transaction is processing. Continue only after the payment shows as successful.

Pay Now

If you choose **PayPal**, the PayPal checkout will provide payment options. Depending on availability, you may be able to continue with a **PayPal account** or use the **Debit or Credit Card** option.

For card payment: Select **Debit or Credit Card**, then complete the required information shown by PayPal.

1. Select your country/region.
2. Enter your email and mobile number if requested.
3. Enter the card number, expiry date and CVV.
4. Complete the billing address fields.
5. Review the payment information carefully.
6. Click **Pay Now** and wait for PayPal to process the payment.
7. If PayPal or your bank requests a security code/verification, complete it through the official secure screen.

7. After Payment

Once the payment is successfully completed, wait for the website/payment gateway to return or show the payment confirmation. Keep your transaction/reference information and payment receipt for your records.

Quick Flow: Fill Form → Select APC → Select Razorpay/PayPal → Click Payment Button → Enter Payment Details → Bank/Payment Verification → Wait for Success → Save Confirmation.
